CHAPTER 1

[image]

- Monty's POV -

I looked at GlamRock Freddy. He shined so bright under the stage Lights. The crowd singing along with him. His glowing blue eyes looked at everyone, His microphone up to his mouth. Why don't I have it as good as him? Why does he suddenly get all the attention? I kept playing my guitar. All I can focus on right now is my guitar.

[. T I M E S K I P. .]

The show was over. I was resting in my room and looking at myself in the mirror. Why did I have to be the backup. I never hated Freddy. I just wonder why he gets it good. Sometimes I even felt like I- Nevermind. I just want to rip something apart. Why am I always left out. WHY AM I THE HATED ONE?! I through my table over, And knocked over shelves. Tears streamed down my face as I collapsed on my knees and cried.

// AN NOTE //

Y'all I know robots don't have emotions leave me alone I just like it like that. And yes the story is all bold because I like it like that too. Please make this story blow up because so far it's my best one yet- (That's sad.) 207 words. Sorry for the short short! Might post another one-

- CHAPTER 2 -

[image]

- Freddy's POV -

I heard noise from Monty's room and immediately came rushing out of my room. I went over and opened his door. I looked in to see Monty sitting on the floor asleep. His room was a wreck. He flinched in his sleep. I approached him. I slowly put my hand on his shoulder. He flinched again. I picked him up and sat him in his chair. I got him a blanket and gave it to him. Now to get to work. I started picking up his room. I sat up the shelves and the Tables. There were... Tissues on the ground. Wonder why he needed those. Not like he has a stuffed nose or something. I threw them away and looked at him. Maybe it would be better if I stayed with him for the rest of the night. What ever made him make that huge mess couldn't of been good. I lay on the hard floor and try to rest. But I couldn't. I grabbed one of his extra Monty blankets and drifted off to sleep.

[. T I M E S K I P. .]

- Monty's POV -

I woke up in my chair. The first thing I see is me in my mirror. With a blanket over me? It's Saturday I think. I would've been awake if not. I looked around to see my room was perfectly clean as if I didn't wreck it last night. Then I saw Freddy on the floor sleeping. I folded my blanket and went over to him. I shook him. His eyes shot open and looked at me. "Oh- Uh- Hello..." Freddy said nervous. I stared at him for a second. "Hello? Uh... What happened and why are you sleeping on my floor with A extra Monty Blanket?" I asked. "Uhm... Oh yes! I cleaned your room last night and thought it would be best to stay with you because of the horrible nightmare you had!" He said. "Horrible nightmare? What horrible nightmare?" I asked. "Well Everytime I tried to touch you to pick you up and get you in your chair, you flinched!" He said. "You picked me up?" I asked again. We shared eye contact and He quickly looked away. "I-Ill be on my way now!" He said, Folding the blanket. "Uh... Thanks

for doing those things for me." I said. "No problem!" Freddy left the room.

// AN'S NOTE. //

I ACTUALLY LIKE THIS STORY. It's into a good start fr- anyways thanks for reading 415 words! Wowwie- including some of my note. Lol. This was a fun chapter actually and enjoyed making it. OOOooOOOo.

- CHAPTER 3 -

- Freddy's POV -

Oh, My, Gosh! That was so embarrassing! Hopefully he doesn't mind. I didn't mean to make him uncomfortable. I looked around and saw Roxxane. I walked over to her. "Hey, Roxxane!" I greeted. She turned around. "Hey, Freddy!" She replied. "Did you hear the noise last night? Crazy!" She said. "Yeah! Crazy..." I sighed. "You okay?" She asked. "Yup." I said. "Perfectly Fine."

- MONTY'S POV -

I'm so irresponsible... Freddy cleaned up after me... I need a break... I need Freddy- I mean, Just a break. Freddy isn't my dad. He doesn't need to stay with me and clean up after me. But he did that because of me! Whatever. I need to get out of my room and get some air. I walked out of my room and saw Roxxane and Freddy. Freddy's back was facing me so he didn't see me leave. I snuck out and went to Chica's room. "Come innnn!" Chica yelled. I walked in and saw Chica putting on lipstick. "Hey Chica." I said, picking up a book on her table. "You do know it's Saturday, Right?" I asked. "Yup! Just wanna look my best!" She said, laughing. "Sooo did anything happen to you yesterday?" She asked. It came back to me. Freddy. The melt down... "No, No! Just heard TONS of noise! Hmm I wonder what it was." I pretended. Chica finished her lipstick. "How's performing?" I asked. "Ahhh, the usual. Always rocking!" Chica laughed and put her lipstick down. "Though, Roxxane does most of the playing." She finished.

- Before we start the chapter. Try or watch the video I mentioned at the top of the screen before or during your reading time . It matches the chapter. Don't worry, They aren't dying or smth. Thanks and Enjoy! -

- MONTYS POV -

I thought real quick. My mind surrounded Freddy. Chica's words faded. I look down. I felt Freddy. I *saw* Freddy. I reached for him, But he moved farther away. I forgot about Chica. I ran after Freddy. He turned around and walked away. No matter how much I yelled, he didn't hear me. "FREDDY!!" I yelled. Tears streamed down my face. I needed him. I never realized it... Why is he leaving me?! I need Freddy. I snapped back to earth, looking around. Chica was still looking in the mirror. I left the room and looked around more. Freddy wasn't here, but Roxxane was. I ran over to her. "Where's Freddy?!" I asked her, panicked. "Uh.. Not sure." She replied. I ran to Freddy's room. I slammed open the door. He turned around and looked at me. "Freddy!" I said, running to him. I hugged him. "Thank God..." I said, just hugging him. Freddy was confused, but hugged me back. We sat there for a minute.

- Freddy's POV -

What's wrong with Monty? Why is he hugging me? Is this a thank you for cleaning him room or something? I hugged him back worried. I didn't know what was wrong. I wanted to know what was wrong. Was it me? Chica? Roxxane. Monty stopped. "I- I- I'm so sorry... I just need you. I never thought I would but your the reason I'm here... I know- I know it sounds weird but please stay with me-" Freddy smiled. "Monty I wouldn't just leave you."
Monty's eyes widened. I have no idea what's going on. What's wrong? Did I do something? Does he want me to keep cleaning for him? "I- I love you." Monty said. Then my eyes widened. That's what... Wait... What? "I-" I looked guilty. "You- You don't like me,

do you?" Monty said, letting go. "Wait no, I mean- I do-" I couldn't speak. Monty's back faced me, he looked at me, and ran out. "Wait! Monty!" I reached out for him but I ended looking like I was reaching for my door. I blinked and looked down. I opened the door and looked to my left then right.
Maybe he's at Monty's golf. I ran up the stairs. I went into the elevator. Floor 2... Floor 2! I pressed it. 10 seconds go by. I reached floor 2. I jump out and run closer to Monty's golf. I opened the door and saw Monty sitting on a bench, his back facing me. I sat by him and put my arm around him. " DON'T TOUCH ME!" Monty yelled, and lunged at Me, with his mouth right open. I put my arm in the opening of his mouth.

⚠ WARNING. DO NOT IGNORE. ⚠
This chapter contains words that might be disturbing to some and It contains bloody words (if that makes sense.) Enjoy and beware. (I know animatronics don't have blood but now they do. (Sorry springtrap-

- Freddy's POV -

"Monty! It's me!" I said, Trying to push his mouth back with my arm. Blood rushed down my arm. I looked into his eyes. I could see pain. Rejection... Was he scared I might reject him. Of course, I've liked him too but what will everyone else think? My eyes spun, so did my head. I hit the ground, Monty collapsing on me.

- MONTY'S POV -

I lashed out on him. It's all my fault. He isn't waking up. I've realized what I've done. Freddy? Freddy! I got up and looked at him. I shook him. I didn't mean to hurt him. I didn't mean it... None of it... I'm just scared... IT'S NOT ALWAYS ABOUT YOU, MONTY. I grabbed Freddy and picked him up. I ran out of Monty's golf. I don't have time to take an elevator. I need to get to the others. I ran to the steps. Down down down I go. I deserve to do that when I die to. I hurt Freddy. I deserve all the hate in the world.
.I finally got down. I checked Chica's room. She wasn't there. Roxxanes room, she wasn't there either. I looked at Freddy's body. His motionless body. I don't know what to do. Right then, Someone... Tapped me. I looked up. "What happened here?" Sundrop asked. "I..." Sundrop looked at me. "I hurt him... It's all my fault..." I cried. Sundrop pulled bandages out of his large pockets. "I *live* at a daycare. Don't ask questions." Sundrop said. Sundrop leaned by Freddy, Bandaging his arm. "He looks over whelmed." Sundrop said. "He'll wake up soon. Trust me."

Chapter 6

- Monty's POV-

I waited outside the daycare. My mind circled around Freddy. *Is he Okay? Did I hurt him... Permanently?* I threw my hands over my eyes and groaned of sadness. Freddy. Freddy. Freddy. Maybe I shouldn't of freaked out... Maybe I shouldn't of been horrible to him... Sun came out, Freddy behind him. "Freddy!" I yelled. I got up and hugged him tightly. "Alright, care to explain?" Sun asked. Monty looked at Freddy. Freddy looked at Monty. "It's a long story." They both said, looking away from each other. " Okay. Uhhh wanna leave the daycare now?" Sun asked. Monty waved at Sun and quickly brushed past him. Freddy sighed and thanked Sun. He quickly rushed after Monty.
"Monty!" Freddy mumbled. I turned around and hugged him. "I'm so sorry I hurt you... I'm so sorry..." I begged. .

- Freddy's POV-

I wrapped my arms around Monty. I didn't want him to feel hurt. Like it was his fault. "I like you to." Freddy whispered.

[. TIME SKIP. .]

We got to Fazcade. We walked in to see Chica and Roxxane. Roxxane looked at them. "Hi guys-" Roxxane looked at my arm. "Oooo someone had a bad *arm* day." She said. "No! It's just a cut." I said. "Yeah, okay, agreed, believe you." Roxxane grabbed a Lazer Tag gun. "Get ready for the winner that's gonna beat your butt!" Freddy and Monty grabbed a gun and went into the arena (laser tag arena). "3, 2, 1, SHOOT!" The speakers rang. Roxxane hid behind something and so did Chica. Freddy ran to a different glow pillar and hid behind it, little did he know Roxxane was across from him. POW! Roxxane shot Freddy. "WAIT WHAT?!" Freddy said, flying backwards in shock. Monty recorded it and put Freddy falling in slow-mo. "My gun! It won't work for 30.. Maybe 20 seconds!" Freddy hid. Roxxane Skittled away, with Monty on her tail. BOOM! Monty shot Roxxane. "NOOOO!" She howled.

Especially when I BLASTED Roxxane and look at this video!" Monty showed Freddy the video of him falling backwards in slow motion. "MONTY >:(" Freddy grunted. "Chillax old man it's funny!" Monty said wheezing. "Whatever." Freddy laughed, rolling his eyes. Monty smiled. Freddy's eyes were drawn to his smile. "Hey, Freddy?" Monty said, not smiling anymore. "I never really said sorry..." Monty mumbled. "For what?" Freddy asked. "All of this... I mean... I'm a huge *mess.* I've hurt your arm, and I used to always think down on you."

Monty sniffed. Freddy didn't want Monty to feel bad over his feelings. Monty sighed. "I never want you to feel like you have to be friends with me." Freddy's eyes widened. "No, No! Of course I want to be friends with- Ow!" Freddy yelped. He stretched his arm out to far and his arm was in pain. Monty gasped. "I'm so, so, so, sorry..." Monty sighed. "I need to go. I'm tired. Chapter 9

- 3rd Person. -

Freddy looked back at Monty to see him running away. "..." Freddy was speechless. Freddy walked back to his room and shut the door. "Right when I have something good... IT'S RUINED!" Freddy Yelled, sliding down his door to a sitting position. "It's all my fault. I'm not good enough." Freddy said to himself. His arm ached. Freddy sighed and looked at his ceiling. "Hey, Universe? Please help me do one thing right, dear God." Freddy covered his eyes. He rubbed his eyes. "I need rest." He told himself. "Worry about Monty though!" He popped awake. He could barely keep his eyes open, but he got up. He walked through the pizza Plex. "Monty..." He groaned with tiredness. Freddy wanted to help Monty, but the thing was, Freddy hasn't slept in *days.* He wanted to take care of Everyone and make sure it was all going to plan.

Freddy's eyes were barely open.

Black took over his eyes. *I... Can't...* His thoughts faded away as he hit the floor.

[Time Skip.]

Freddy woke up in a black room. "What... Where's Monty? Where am I?" Freddy asked. Everything was pitch black. He was the only one with color. Freddy got up and started walking through the room. There was no door. A light turned on. Under it stood Monty. "Oh, Look," Monty laughed. "It's him. GlamRock Freddy. The star of the show."

"What..?" Freddy asked, taking a step back. "You *ruined* my life FREDDY!" Monty yelled. "Your always the star of the show, you have friends that like you, and you don't even care about me!" Month said, throwing his hand on his chest. "That's not true Monty! That's not true!" Freddy cried. Tears burst out of his eyes. "Pfft." Monty said. "You never cared. You don't care about any of us."

"IT'S NOT TRUE!" Freddy Yelled. "I WANT TO LOOK AFTER YOU! I DON'T KNOW WHAT I DID BUT PLEASE FORGIVE ME...

Monty stared at him. "You are horrible." Monty said.

Freddy woke up.

"Well, thank you... For bringing me here." Freddy stuttered. "Yeah. I was just coming to say sorry to." Monty sighed. "Oh. You shouldn't be sorry for anything. You didn't do anything." Freddy said. Monty laughed. "I have plenty to apologize for. I could be here all day apologizing." Monty said. Monty pecked Freddy's cheek then got up. "You don't want to spend all day listening to that do you?" Monty helped Freddy up.

- 3rd person -

Monty and Freddy played games all day. It's like they forgot everything that happened the day before. Freddy's smile was so wide, it looks like he was happier than he was on stage. Monty felt special. He smiled back. "Score! For the 50th time..." Freddy said, in a guilty way. Monty looked at him and frowned. "So what if your good that golf? I'm good at... Pac-Man!" Monty said. "Monty, Monty, Monty. Pac-Man isn't an multiplayer game so you don't know if you're better than me." Freddy patted his shoulder. "Hey!" Monty chased him. "I mean you're good at tag!" Freddy said running. Monty tackled him. They both laughed and laughed. Monty lied on top of Freddy, looking him in the eyes and smiling. Freddy smiled back as Monty helped him up. "WOOO! WOOO!" Sundrop popped up out of complete air. "Games?! Glitter Glue?! Oh I love glitter glue..." Sundrop mumbled. "Hi, Sun!" Freddy greeted. "Yellow! Get it? Because I'm yellow! AAAAHAHHAHAHAHAHAHAHAHAH!" Sundrop dropped to the floor wheezing and crying. "We'll leave you to it." Monty said, stepping over Sundrop. "What next?" Monty said. "Hmm..." Freddy thought. "We Basically wiped out the whole arcade!" Freddy said. "That... Is true." Monty replied. "There is one more game though..." Monty smiled, looking at Freddy. "You thinking what i'm thinking?" Freddy smiled back.
"Yup! LAST ONE TO LAZER TAG IS A ROTTEN EGG!" Monty yelled, dashing ahead. "Wait! You're gonna wish you were never born!" Freddy said, running behind. Freddy soon caught up to Monty. Monty opened the door's to Lazer tag for Freddy. Freddy laughed and walked in, Monty close behind. "Well..." Monty said. "Let's get started!"

- Freddy's POV -

I walked very quietly, hiding behind a pillar as Monty marched down the lane I was in. *Can I shoot him from here?* I lifted my gun, right then, it made a noise. *Shoot! Shoot, shoot, shoot shoot.* Monty turned around. I stopped breathing. Big booms (the Lazer guns) surrounded me and Monty shot at me. "AHHHHH!" I screeched as I ran behind different pillars. Monty shot at me more. I shot back. "Oof!" Monty fell. I was nice enough NOT to record him falling backwards in slow-mo. But I really wanted to now.

- 3rd person -

Freddy switched to a different hiding spot while Monty got up and reloaded his gun.

"Oh Freddy... Come out from your hiding spot!" Monty charged down the hall, looking for Freddy. *Oh God...* Freddy's thought. Monty stopped and his head turned toward Freddy. "Oh, There you are..." Monty Walked over to Freddy. Freddy didn't... Move? Monty got close to his face. "Good hiding spot," Monty whispered. "But not good enough." Monty put the Lazer tag gun to Freddy's chest and pulled the trigger. Freddy's gun's light went down.

[image]

- Freddy's POV-

***No, no, no, no, MONTY PLEASE...* I dropped to my knee's. "Don't leave me... Please..." I gasped. "You mean nothing to me!" Monty slashed my face.**

I popped awake.
The same nightmare.
Every night.
Every single night.
The pillow comforted my head. I looked to my side, seeing Monty resting. I snuggled close to him. I shut my eyes once again, trying to go back to sleep.

He ran down this path. I ran down the path. Is this real? Is this a vision? Am I seeing the future right now? Monty left me for *nothing*. What did I do? Did I hurt him? His feelings? I constantly worry about him, does he worry about me? Does he even... Like me?

I felt Monty's warm hand touch my shoulder. I opened my eyes. His other arm was under my head. "You were... Moving ALOT in your sleep. You having a nightmare?" Monty asked. "I... Yes..." I mumbled.

- 3rd person -

"Want to tell me?" Monty asked. "Well... I wanted to ask a question..." Freddy mumbled. "Yeah?" Monty said. "Do you... Worry about me? Or even think about me?" Freddy asked. Monty sat up. "What kind of question is that? Of course I do! All the time!" Monty said. Freddy sat up by him. "I just wanted to make sure because I always worry about you and want to make sure your safe."
"..." Monty sighed. "Are you having nightmares that I don't love you?" Monty asked. Freddy nodded slightly. Monty Hugged Freddy

tightly. "I will always love you."

I. Am. Sick.

By the title you can guess the tragic thing that happened and that there won't be any new chapters until I feel better. "Why Fuzzy?" Because I don't want to work while I'm sick. Yes it's my fault for not wearing a coat. Anyways, I'm sorry there's no new chapter coming! I hope this sickness will go away soon! AND 7.K READS!!! WE GOING LIKE SHOOTING STARS THANK YOU SO MUCH!!! :D NEW CHAPTER COMING OUT WHEN I FEEL BETTER! THANK YOU!!

[S2 CHAPTER 5]

Monty's POV-

I looked at Freddy. He was still asleep. I looked at the clock at the wall. It was 5:00AM. *Hm. Freddy seemed kind of upset when he told me his nightmare. I would've been too but that nightmare of his was crazy.* I sighed.

- 3rd person -
Monty got up slowly. He stretched his arms out. He kissed Freddy's forehead gently, then left the room. Monty sighed. He slowly made his way to Roxxane's Raceway and grabbed something to eat. "So," Roxxane said, pouring him some tea. "Something's going on with you and Fred?" Roxxane asked. "Yeah," Monty started. "I've liked him for a while, I finally told him. We've been hanging out with each other more ever since. "

Roxxane put the tea away. "Alright," Roxxane started again. "You guys like each other then and are together?" Roxxane asked. Monty's face flashed red, he looked up. "What?! Uh, I'm not sure I- uh- it's hard to think of it that way- I don't know!" Month put his head down. Roxxane tapped him. Monty looked at her. "It's fine. I know some luck is coming for you love birds." Roxxane laughed.

Everything's going wrong!

Hello.
I'm back after a long time.
And by the title you probably know it's bad.
It is.
Getting to the point, there may be a chance I have to quit. There has been problems lately that I won't get into but yes that is that. Please understand if I do quit it's not that I want to its most likely I HAVE to quit. But if this is my last post thank you for all of this. It has truly change my life. Thank you.

[S2] CHAPTER 6

- Freddy's POV-

My eyes slowly opened. I reached my arm out on Monty's side. *He isn't here.* I told myself. I sat up. I looked around. I shut my eyes tightly, they watered from tiredness. I saw Monty's tail pass the curtain. *He's coming back.* The door opened. Monty Walked in. "Morning." Monty said, smiling. I looked at him and tried to smile, but couldn't.

"Hey," Monty's smile quickly wiped from his face. He got closer to me. "GET AWAY FROM ME!" I yelled. Monty's eyes widened. I covered my mouth. "I- I'm so sorry Monty I didn't mean to snap I can explain..." I stumbled.

- 3rd person -

Freddy quickly got up and approached Monty. "I'm sorry the nightmare really got to me... I never meant to hurt you." Freddy cried. Monty stared at him blankly. Freddy glitched. "YOU MONSTER!" Freddy jumped on Monty. Freddy hit Monty over and over. "FREDDY STOP!" Monty grabbed his wrist. "WHATS GOING ON WITH YOU?!" He snapped. Freddy snapped back to reality. He fell backwards.
"I don't know what's happening too me... Monty I'm sorry I can't control it!" Freddy cried. Monty coughed. "What's going on with you.."

[S2] CHAPTER 7.

- 3rd person -

Monty didn't try getting close to Freddy. Someone... Something is making Freddy do this. But who or what? Monty was puzzled. "I didn't mean too I'm sorry-" Freddy tried getting closer. "What are you doing?..." Monty asked. Freddy scooted back. "I think... I think it's him..." Freddy gasped. "Who Freddy, Who?! WHO are you talking about?!" Monty exclaimed. Freddy slowly got up and began pacing. "There's... There's stages. This is the beginning stage." Freddy said. "Uhm... Stages of grief?" Monty joked at a time like this.

"No it's something different." Freddy said. "I can't explain now, but Roxxane told me about this. It's dangerous. There's 5 stages, I'm on the first one. ***He's*** possessing me." Freddy said. "So this went from having snacks at Faz blast whatever to this?" Monty asked. "Huh, weird." Freddy gave him eye contact. "So funny." Freddy rolled his eyes. Monty got up. "Well go ask Roxxane what's going on! If she told you, she must know what's happening." Monty said. "Good idea," Freddy said. "I'll come back soon." Freddy darted out. Monty smiled a bit. Monty put down the remote he hid behind him onto the table. "I can't do this." Monty said. "Alright," A weird looking gold animatronic said, coming out of the shadow in the corner. "You never told me your name" The golden bear said. "I'm Monty. Tell me yours." Monty demanded. "I'm golden Freddy. My pleasure to work with you."

Maybe.

By the title you can probably assume something bad Is going to happen. Well I don't know.

I have lost alot of motivation but I don't want to give up the chance of having 12.k readers. You guys have done so much for me, but please expect my retirement soon in this platform. If I don't post alot, that doesn't mean I'm dead. I'm either trying to get ideas or do something with my life. Just know I love all of you and thank you for getting me this far :) I will try to keep going, but the future never tells.
